

## My Statement of Faith

- One God in three persons—Father, Son and Holy Spirit
- Jesus Christ's deity, virgin birth, sinless humanity, substitutionary death, atoning blood, bodily resurrection and ascension to heaven
- The entire Bible is God's infallible revelation to man
- Salvation by grace alone, through faith alone, in Jesus Christ alone
- The resurrection of the body: eternal glory for believers in heaven and everlasting punishment for unbelievers in hell
- The one true church, the body of Christ, consisting of all believers
- Obedience to our Lord's command to lead people of all nations to faith in Christ and to grow in Christ-likeness
- Christ's personal return to establish His Kingdom on earth
- The Holy Spirit indwells and empowers believers and is given as a seal and a pledge of our inheritance in Christ Jesus
